We assigned you an employer identification number (EIN)

Your EIN is **42-2437026**. The name control associated with this EIN is **CARE**.

What you need to do

- If you did **not** apply for this EIN, visit [IRS.gov/EINNotRequested](https://www.irs.gov/EINNotRequested).
- Use this EIN and your name exactly as they appear above when you fill out your tax returns. Otherwise, it may cause delays. Keep a copy of this notice for your records because we'll only send it to you once. You can share a copy with future officers of your organization or anyone asking for proof of your EIN. If your name or address is incorrect as shown, send the correct information to the address at the top of this notice.
- You must file the following forms by the dates shown.

Form	Due Date
1065	03/15/2027

What you need to know

If you need to pay certain types of taxes, like employment or corporate income taxes, we'll send you a package with instructions. The package will tell you how to pay your taxes online using the Electronic Federal Tax Payment System (EFTPS). We'll also send you a personal identification number (PIN) separately. Be sure to activate your PIN when you receive it, so you can start using the EFTPS. To learn more about EFTPS, refer to Publication 966, Electronic Choices to Pay All Your Federal Taxes.

If a Limited Liability Company (LLC) elects to be classified as an association taxable as a corporation, the LLC must file Form 8832, Entity Classification Election. If an LLC wants to elect S corporation status and meets certain criteria, the LLC must timely file Form 2553, Election by a Small Business Corporation. In that instance, we'll treat the LLC as a corporation as of the effective date of the S corporation election and the LLC doesn't need to file Form 8832. Visit [IRS.gov/LLC](https://www.irs.gov/LLC) and refer to Publication 3402, Taxation of Limited Liability Companies, for more information.
